# Welcome letter from our CEO

Dear Candidate,

Thank you for your interest in joining L.E.A.D. Academy Trust as Headteacher of Windmill L.E.A.D. Academy in Nottingham.

We are determined as a Trust to bring about change and improvement to educational standards in Nottingham and in the East Midlands.

In recognition of our work so far, the Department for Education is supporting our Trust to expand its provision to other academies in this part of England and possibly beyond.

Leadership, therefore, is critical to our ambitions to be the one of the leading Trusts nationally, with leadership not only at Trust level, but also within our constituent academies.

So, what sort of leader are you?

Are you someone who is as ambitious as we are? Are you someone who wants to make a mark as a great Headteacher? Are you someone with the grit and determination to show that children and young people in Nottingham can do as well as anywhere in the UK? If you are, then you are the sort of person we want!

You will have already demonstrated that you are an outstanding headteacher and leader because you are as happy in the classroom as you are in chairing a meeting or leading academy improvement more widely.

You will be lively and energetic because you know that being a high-profile and visible leader in and around the academy is crucial to the development of a great academy culture and high standards of child behaviour. In doing so, you will inspire your senior team and the staff.

L.E.A.D. Academy Trust prides itself on the support and advice we give to all our Headteachers. That is why the welfare of our academy leaders is as important to us as any policy or strategy. Remember, our Trust Executives are people who have already “been there and done it”, so they know what it’s like on the front line!

This will be a great job for you if you’re someone who wants to make a tangible difference to the lives of children and young people. After all, they have just one chance of receiving the education they deserve.

We look forward to receiving your application through our retained consultant, Vonya Campey, who can be contacted at [vcampey@academicis.co.uk](mailto:vcampey@academicis.co.uk) or 07340 010983.

# Letter from our Headteacher

Windmill L.E.A.D. Academy  
A L.E.A.D. Academy

Dear Applicant,

Thank you for your interest in the role of Headteacher at Windmill L.E.A.D. Academy.

I am extremely proud to be the Headteacher of Windmill – a vibrant, positive learning community. It is a privilege to work with such enthusiastic, respectful children, supportive families, and a highly committed staff team. Together, our aim is to be the best learning community we can be and to inspire children to learn and be curious about the world around them. This will enable them to embrace new opportunities and have high aspirations to shape their futures, whilst also becoming responsible citizens.

The school building is situated in an area of significant complex challenges, but we have worked hard to create a safe, inviting, and aspirational environment. Originally, a Victorian School, we have also been lucky enough to have a recent modern extension to provide further offices and meeting rooms. The children of Windmill are delightful, making our school a happy, welcoming, and vibrant place to work which is well-resourced.

In a school where we currently have 39 languages spoken by staff and students, the wonderful global dimension of our community saturates our school culture and curriculum. We pride ourselves on our inclusion and diversity.

Our last OFSTED inspection (2019) resulted in a “Good” grading which we have continued to build upon and we constantly strive to be outstanding because that is what our children deserve. The school therefore needs a Headteacher who can maintain the rich climate and culture that the school has and continue to develop a strategic vision and commitment to raising standards to take the school forward, so that every child has access to high quality teaching and outcomes.

We believe in high quality continuing professional development and that it is the cornerstone to ensuring that we fulfil our vision of ‘Igniting Minds; Shaping Futures’. It is through the development of teaching and learning that children will be inspired to learn and in turn this will shape their futures. At Windmill, we all see ourselves as lifelong learners, we actively collaborate in action research projects and use research to inform our practice. As a Headteacher, within the Trust, you also have access to high quality professional development and a wealth of support from the Trust School Director for Nottingham and amongst the Nottingham Hub headteachers.

At school, we encourage leaders to develop their skills to become Leaders in Excellence and work across schools in the L.E.A.D. Teaching School Hub. We have Leaders of Excellence in mathematics, reading, subject leadership and special educational needs and disabilities as well as the headteacher engaging in work for the L.E.A.D. Teaching School Hub. Through deepening our own professional knowledge to support other schools, we also bring back new insights that can help us further develop our own provision. However, Windmill is very much a place to learn whatever your role and we consider everyone to be leaders in their roles and in their own learning.

The school is fortunate to have a strong and supportive governing body, who share our commitment to further strengthen teaching and learning and ensure that all children reach their full potential.

We are also proud to have been awarded the ‘Investors in People’ Gold award, a testament to how well we work together as a team and have strong common values and shared goals.

Applications are invited from those with previous headteacher experience and we would encourage you to visit the school to meet our children and staff.

# What is it like to work at Windmill Academy?

Working at Windmill has given me fantastic opportunities. I started at Windmill as an Assistant Head and I am now Deputy Head. I've had many opportunities: I've trained as a coach, become a Leader of Excellence and I am currently completing further study towards a Masters Degree – this is on top of learning so much about the successful running of a large school, day-to-day. I have been supported at every turn. The best thing about Windmill is that we keep the children at the heart of everything we do.

## – DEPUTY HEADTEACHER

After completing my teacher training School Centred Initial Teacher Training (SCITT) in 2021, I started working at Windmill Academy as a first year Early Year Career Teacher. At this pivotal point of my career, it felt really important to me that I worked in an environment that supported me in my development and actively challenged me to improve my practice. From the moment I started, I have been encouraged and supported in so many ways. I know that no matter the concern or question, there will always be someone ready to help me. We have regular phase meetings, which tailor support directly to our age group; quality Continuous Professional Development (CPD) that has provided me with knowledge linked directly to my Early Career Teacher (ECT) course and I have had allocated meetings with my amazing mentor to support me through my induction years. I have loved working at Windmill for the past two years and I am so excited to continue in my new year group.
